Band promotion website

website

setu

This is a website I built in IDAD year 2 where I tested more complex html, css and javascript. It is a responsive of website and is well layout in both mobile and desktop it makes use of jquery for smooth animations.

My website also has a form that save user information to local storage

Leaving cert art

Slab potteru piece I made for leaving cert art made from 3 slab segmants, bowl base and a wooden base. Iused gold and black spray paint along with black nail polish to fill in details.

I was inspired by the Hungaarian parliment building and other european buildings.
